Purvis promoted to Sr. Vice President of Environmental Affairs

Jerry Purvis has been promoted to Senior Vice President of Environmental Affairs.

Since joining EKPC In 1994, Purvis has served in a number of roles at the cooperative, most recently as Vice President of Environmental Affairs. He oversees EPA policy, air quality, natural resources and production labs, as well as environmental compliance and environmental engineers for EKPC.

Jerry Purvis

"I am honored, humbled, grateful and very blessed to work with such a great team and the company's leadership," Purvis said.

Purvis has a bachelor's degree in chemistry and a master's degree in business administration from Morehead State University. He also has a bachelor's degree in chemical engineering from the University of Kentucky.

— END —

East Kentucky Power Cooperative is a not-for-profit, member-owned cooperative providing wholesale electricity to 16 owner-member distribution cooperatives that serve 1.1 million Kentucky residents at 579,000 homes, farms, businesses and industries across 89 counties. EKPC provides power through coal-fueled plants located in Mason and Pulaski counties; natural gas-fueled plants in Clark and Oldham counties; renewable energy plants in Barren, Boone, Clark, Greenup, Hardin and Pendleton counties; and nearly 3,000 miles of transmission lines. Together, EKPC and its 16 owner-member cooperatives are known as Kentucky's Touchstone Energy Cooperatives. Visit EKPC at www.ekpc.coop.
